

#FREE THEM ALL

LIST OF DEMANDS FOR GOVERNOR CUOMO

1. **#FreeThemAll** by using emergency powers to **order the release of all ICE detainees and incarcerated people** locked up in New York State to safeguard human life and public health.
2. **#DefundThePolice**, and remove them from schools, emergency rooms, subways, and mental health crisis response. Withdraw state funding for all police departments across New York State. Tear up police contracts with state agencies, including social services and care services.
3. **Establish an immediate emergency relief fund for the undocumented community** who are suffering from loss of jobs and income, left out of federal/state relief, and cannot qualify for unemployment benefits.
4. **#CancelRent** during COVID-19, don't just defer evictions until later. Many New Yorkers, especially undocumented people, are struggling to pay rent due to the effects of this pandemic and will be in danger of losing their housing.
5. **#ProtectAllWorkers**. Immigrant workers and all workers need proper PPE, hazard pay, and paid sick leave. Immigrant workers are **#EssentialNotDisposable**. Don't allow schools to reopen in unsafe conditions, putting teachers, students, and their families at risk. Don't use police to harass sex workers, and stop arresting people for **#WalkingWhileTrans**.
